Re: Citizens' Initiative – "Utah Term Limits for Appointed Executive Officials Act"

Dear Lieutenant Governor Cox:

On behalf of the sponsors of the above-referenced initiative, and pursuant to Utah Code Section 20A-7-202, attached please find (a) information and notarized signatures from the sponsors of the initiative petition, and (b) a copy of the proposed law that includes the title of the proposed law, which clearly expresses the subject of the law, and the text of the proposed law.

Pursuant to Utah Code Section 20A-7-202(2)(e), please be advised that persons gathering signatures for the petition may be paid for doing so, as set forth following the text of the proposed law.

We have not numbered the text of the proposed law. The applicants believe it could properly be included within the Election Code at Title 20A, Chapter 10, Section 101 *et seq.*, where the previous term limits statute was found until its repeal.

If you have any questions or require further information, please let me know.

The applicants thank you for your service and look forward to your favorable response to this worthwhile initiative.

Very Truly Yours,

JONES WALDO HOLBROOK & McDONOUGH

Stephen C. Clark

INITIATIVE

Be It Enacted by the People of the State of Utah:

Section 1. Title.

This Act shall be known as the “Utah Term Limits for Appointed Executive Officials Act.”

Section 2. Purpose.

The people of Utah find and declare that persons appointed to state boards and commissions may remain in the same office for an extended period of time, and may become preoccupied with maintaining the privileges and perquisites of power, losing sight of their duties as representatives of the people. These appointees may also become aligned with special interest groups who seek special favors and lobby office holders for outcomes driven by their special interests to the detriment of the people of this state. These practices can create a risk or an appearance of corruption in the ranks of political appointees. Therefore, the people of Utah, exercising the legislative power vested in them under Article VI, Section 1, Utah Constitution, herein limit the terms of persons appointed to state boards and commissions.

Section 3. Limits on Consecutive Terms for Appointed Officials.

No person who has been appointed by the Governor, pursuant to Article VII, Section 10, Utah Constitution, to any state or district office established by the State Constitution or created by law, may be reappointed to that specific office for a third term, or serve more than ten years in that capacity, regardless of the specified length of a term. As used in this subsection, “term” means two years or more of a term to which a person is appointed. Where no specific term is designated, service shall be limited to no more than ten years.

Section 4. Appointed Judges; Specifically Exempt.

Any judge, commissioner or other judicial officer appointed to any judicial body or branch shall be specifically exempted and not subject to this statute.

Section 5. Effective Date.

This Act shall take effect on January 3, 2017. No person appointed and holding office at the time this Act takes effect shall be prevented from serving the remainder of his or her term. Where no specific term exists, if his or her time of service violates this Act at the time of its enactment, no person appointed shall serve more than two additional years.

Section 6. Severability.

If any particular provision of this Act, or the application thereof to any person or circumstance, is held invalid, the remainder of the Act and the application of such provision to other persons or circumstances shall not be affected thereby.

END OF TEXT OF PROPOSED LAW
